Kala Williams,

The Iowa Telecommunications and Technology Commission (ITTC) has approved Region 15's Regional Telecommunications Council (RTC) budget for expenditure of the first half of the FY 2014 educational support funds. To request release of the \$32,127.94, the RTC fiscal agent should send an invoice to Tammy Ranfeld, Iowa Communications Network, 400 East 14th Street, Des Moines, IA 50319. Along with the invoice, please also supply the attached budget approval page from the Commission. It will take approximately two weeks after we receive your invoice before a check can be issued.

The ITTC plans to acknowledge the second half of the RTC funds in the early 2014 timeframe, after receiving and reviewing the semi-annual RTC report.

If you have any questions please contact Lori Larsen at 515-725-4713.

Sincerely,

Dave Lingren

 All responses are based on having the RTC fully appointed. Six members of the RTC must approve the plan.

XX ☐ Yes

☐ No (If no is checked, a brief explanation in the comments box must be provided.)

COMMENTS: Scheduling of Video sites is the job of the scheduler. The RTC XV budget supports the schedulers' salary because it is designated as a primary function Iowa Code Chapter 8. Without the scheduler, no courses would be scheduled throughout the year. For the scheduler to be effective in their job, they communicate with the entire Region XV and throughout the state. All academic institutions throughout the region and state benefit from having a scheduler available in Region XV.
